

## DYLAN BRADLEY

Number-one best-selling author, consultant, and award-winning model, Dylan Bradley, launched his own Bitcoin Consultancy firm, BitcoinBeast.IO, to guide investors and clients on their venture into the crypto asset space.

As a marketing consultant who has worked with Fortune 500 companies, Influencers, Entrepreneurs & Local Businesses Dylan has experienced rapid growth in his business focused on helping entrepreneurs understand and strategically utilize digital assets.

Dylan's roots were planted in St. Louis, Missouri. He now calls Colorado home, where he enjoys snowboarding, mountain biking, and long walks with his pup, Leleu.

Whether it's understanding the terminology and the basics of blockchain, or which coins have a proven track record and strong community support around its development, Dylan has helped dozens of clients navigate the path to securing their tokens.
